To Safenet Management:

Project Manager of TO: 36 here in Iraq would like to extend a very warm and much earned Thank You for the outstanding job Mr. Izak Muller his team did for me and ECCI at Kirkuk, Iraq. I realize I've written a letter in the past on their behalf but feel very strong of writing another because it is warranted and duly earned by this fine team Safenet provided us here at K-1. They as a team exemplify true teamwork and great success in the field under difficult situations in the work area and dedication themselves to all their principals, they will be missed.

I'm forwarding this up the ladder to all at Safenet Management and ECCI, the gentleman below should be commended and are much appreciated.

- 1 Izak Muller
- 2 Barrie Sachse
- 3 Shaun Schutte
- 4 Ingar Grobler
- 5 Edwin Van Dyk
- 6 Hifikepunye Fillepus
- 7 Reuben Sapalo
- 8 Sebastian Amorim
- 9 Daniel Jose
- 10 Francisco Kassanga.
- 11 Joseph Naftal
- 12 Simbinga Alfeus
- 13 Antonio Manuel Sousa Perdigao
